

Christopher Frey

Senior Graphic Designer

EXPERIENCE

Senior Graphic Designer

2023–Present | Interagency Readiness Solutions | APG, Maryland

Working under the U.S. Army Combat Capabilities Development Command (DEVCOM) Army Research Laboratory at Aberdeen Proving Grounds. Complete graphic design projects included but not limited to the following: books, posters, brochures, banner stands, online graphics and presentations as scheduled by coordinators.

Operations Specialist

2021–2023 | NextGen Federal Systems | APG, Maryland

With daily communication, I kept an Army division running smoothly and on task. My primary tool was an Army task management system which kept my tasks organized from high priority to low. I provided important tasks and valuable information to my division. Using Microsoft PowerPoint to reformat and develop presentations was also a large part of my duties.

Visual Communication Specialist

2019–2021 | NextGen Federal Systems | APG, Maryland

Working under CECOM Software Engineering Center, I provided any visual communication support required. Most common products included nameplates, business cards, flyers, brochures, logos, seating charts, organization charts, and large format printing. I also provided photography for events and headshot portraits. My video production services included shooting video, training videos, editing pre-recorded footage, providing voice overs and much more.

Graphic Design Specialist

2018–2019 | Janus Research Group | APG, Maryland

Working under PEO C3T, PM Tactical Network, I provided any visual communication support required. Most common products included nameplates, business cards, flyers, award framing, brochures, logos, seating charts, organization charts, and large format printing. I also provided photography for events and headshot portraits. My video production services included shooting video, training videos, editing pre-recorded footage, providing voice overs and more.

Electronic Warfare Threat Analyst

2011–2018 | SRI International | APG, Maryland

Cryptologic Technician Technical

2003–2012 | U.S. Navy

ABOUT

I'm a passionate **graphic designer**. And when I say passionate, I **really** mean it. There isn't a day where I don't go out of my way to learn something new about design or create something.

Not only do I apply my basic design principles to everything I do, but I also apply my Navy core values of honor, courage and commitment.

As a **Navy veteran**, with over 20 years of work experience I provide a unique combination of military standards and artistic creativity.
